Softballers play hardball

Hi I'm Annie.

I'm thirty years old and have lived in Tulsa, Oklahome all my life. I only work part time at the local bakery so I'm able to take care of my mother who suffers from some kind of dementia disease. I work the morning shift and get of at 4 pm after the lunch crowd clears. I go home immediately after work everyday to care for her. My father left us when I was six so she's been my responsibility for the last 20 years that she's been ill. Needless to say I did not go to college and even had to leave high school during my junior year. I had a boyfriend my freshman year but we were too young to do anything. I have not dated or gone out with anyone because my mom was my full time responsibility.

This past month, sadly, dear mom passed away and I've been busy taking care of her estate. My neighbor Jules, who is 36 years old, has come over to console me and help me out around the house. In conversations, I've mentioned to her that I've been feeling empty and lonely since mom has passed. After dedicating my life to just my mom and no one else, how would I go on? I told Jules that I had not been on a date in years. In fact I was still a virgin. I watched as Jules's mouth fell open. "What!" she screamed. "Holy shit," she said. "We've gotta get you out." I reluctantly said, "Ok." Jules went on and on about how I would need a make over and a few pieces of new clothing. She felt it would help my self-esteem. The following week, Jules made a hair appointment for me at her salon. I nervously sat as the stylist cut my long hair in to a more modern style. She said it suits my face better. I knew it would take some getting used to. I left the salon to meet Jules at the local coffee shop in town. She didn't even recognize me at first. How she screamed with excitement when she saw me! I fed off of Jules' energy. We both were laughing and smiling at the wonderful job the stylist has done. My hair felt and looked great, and so did I. Finally.

After we left the coffee shop, we went into town to shop for new clothes. Jules knew I was on a budget. So we hit a couple of the less expensive stores. Jules was so patient and helpful with me as I tried on some clothes. I ended up with a new pair of jeans, a few tops and a dress. I felt so happy to have her as a friend. The next day at the bakery, all of my co-workers were thrilled to see me with my new hairstyle. I felt like a new person. When I got home, there was a message form Jules on the machine. She called to invite me to her company's picnic this weekend. I called Jules to let her know that I would love to attend. She had never invited me anywhere before. I was glad to be thought of anyway.

Jules came to pick me up on the

I was surprised by the softness of the skin and the firmness underneath it. I swirled my finger around the tip as he groaned softly. I grasped the shaft and he groaned louder.

day of the picnic. I felt great in my new jeans and off the shoulder blouse. At the picnic, Jules introduced me to everyone she knew. One person stood out to me the most. His name was Troy. He was in charge of getting the softball game together. I'd never played baseball before. Before I could say no, Jules had already signed us up. As the day went on Jules never left my side. She made me feel so special. I guess she knew I would be uncomfortable without her. At 2:00 the ball game would be beginning. I was starting to get very nervous.

When it was my turn to bat, Troy could see how awkward I was holding the bat. So he stood behind me to demonstrate the right way to hold it. After a moment he backed away and the ball was pitched and by some stroke of luck I hit it – right back to the pitcher who threw me out. As I jogged back to the bench I passed Troy and he high-fived me. That was cool. The game finally ended and we won. I did contribute a little bit; I got a hit and scored a run. It felt great.

I hadn't had this much fun in – well 40 plus years. Jules saw that I became more comfortable and social as the day worn on and she didn't have to baby-sit me anymore. As the picnic day ended, I had had a few drinks and was feeling pretty good. Most of the people were gone. Jules was walking around picking up trash and Troy was gathering up thegear. He saw mw and asked if I could help him. I went over to the ball field and picked up the few bats on the ground and stuffed them into the bat bag. Troy was grabbing the bases and loading them into his SUV. I couldn't lift the bag so I began to drag it over to the SUV. He saw me and came over to help. We laughed about it as we finished with the gear. Jules walked over to us and said she was ready to go. Troy quickly offered to give me a ride home. Before I could say anything, Jules said that would be great and hustles off. The park was now empty except for Troy and me. It was getting dark and I was hungry. I asked if we could stop for a bite to eat before taking me home and he said sure. We climbed into the SUV and he started the engine. – But it wouldn't start. He looked at me and cranked it again, but no go. He sat back and said he'd give it a minute, so as we waited we made small talk, but I was looking at him thinking what a great guy he was and if he was going to kiss me. He tried to start it again and it just wouldn't start, so he picked up the cell phone and called the auto club, apologizing the he was not very mechanically inclined. I laughed and said I wasn't either. The mechanic said it would be forty minutes to an hour before he could get there. Troy said 'no problem' and hung up. We settle back and waited.

After a few sentences the conversation stared getting personal. He asked if I had ever been married. I said no, that I had been taking care of my mom for a long time and she had passed a couple months ago. He said he was sorry to hear that, but thought I was in very good spirits about it. I thanked him, and blurted out that I hadn't dated during that time. He paused and leaned over to kiss me. I was surprised but did not back away. I met his lips and the fire erupted within me, but I held back. He briefly backed away but I reached behind his head and pulled him back. Our lips played for a bit before tongues began to lick each other's lips. Then they were thrust deep into mouths and the passion grew. We backed off and looked at each other. He reached over and touched my neck and let his hand drift between my breasts. He undid a button and then another. I grabbed his hand and he stopped, But I wanted him to touch me. He gently squeezed it and I let out a yelp that had been

harbored for decades. I heard myself and laughed when I realized how loud I was. Inside my shirt, he switched our hands so he was holding mine and pulled it to him. He lowered it to his crotch and I felt his manhood under the tight jeans. Troy broke my silence saying that he could show me how to hold his cock like he showed me how to hold a bat. I gave a nervous laugh and said okay. He smiled and pulled down his zipper.

I had never seen a cock this close before. I couldn't even remember when the last time I had aver seen one. It was marvelous. Tall and erect with a glistening head that beckoned my fingers to touch it. Troy let go of my hand and I reached over to touch it. I was surprised by the softness of the skin and the firmness underneath it. I swirled my finger around the tip as he groaned softly. I grasped the shaft and he groaned louder. He took my wrist and moved my hand up and down, letting go after a few strokes and beckoned me to continue. By now I was leaning over the console and was pumping his rod with a rhythm that he seemed to approve of.

He asked if I had ever licked one before. I looked up at him and giggled saying I had never touched one, let alone lick one. He asked if I would and before he could finish I had my mouth around the head tasting him and licking like a kid on their first lollipop. The sweet smell of his manly musk intoxicated me even more. I found that I was sucking him hard and bobbing my head up and down his shaft trying to get in as much as I could. I searched for his balls over the fabric and found them pinned to his inner thigh under the jeans. I rubbed them and his dick seemed to get even bigger.

He grabbed my hair at the back of my neck and pulled my head up into his kiss as I continued pumping his cock and rubbing his balls. Out tongues were missiles of passion as my pumping became more furious. He began to moan louder with his mouth still on mine. I was beginning to get a little scared. I had never been around a man who was in the throes of cumming. He pushed my head down as he pulled my hand away. I tried to resist but found myself zeroing in on the head and engulfed it with my mouth. Instantly I felt a warm gush fill me and I was shocked by it's velocity and force. He kept my head there as he kept spurting and spurting. The cum started oozing out the side of my mouth. I tried not to gag as I tried to swallow with his dick still in my mouth. I finally did and he eased his hand off my head. He said that was great and he could not believe I had not done that before.

I tried to straighten up my clothes as he put himself back in his pants. Just as I began to say something a pair of headlights pierced the darkness heading towards us. I composed myself and settled back in my seat. He exited the door to meet the auto club guy. They mumbled some things to each other and the hood came up. Within a few minutes I heard the hood slam and Troy got back in the truck. He looked at me and asked if I was all right. I whispered I was okay and he put the gearshift into drive. As we pulled out he asked if I would still like to get a bite to eat, or if I was full. I smiled and he laughed. I got the joke and laughed too.

In the minutes I waited while they worked on the truck, I reflected on our last half hour and told myself it was okay. I felt my pussy get wet and had feelings aroused down there that I had never felt before. I felt like a woman who just pleased a man because I wanted to. And you know what – it's now my turn and he's going to please me.

"Yes, Troy. Let's go, I think I'm getting hungrier."

Wrestling fan Luscious Lopez gets her wish…

My dad was a huge fan of Mexican wrestling and so I kinda became one too. Those guys were so incredibly built and so athletic that as I got older, I started fantasizing about them. I thought that one day it would be really cool if they would tag-team me. I think my wish is about to cum true.

So I'm baking a cake for my 69 year old grandma and there's a knock at the door., Standing there in full regalia are Diablo Rojas and Diablo Negro. I was stunned. They came in and I immediately undresssed them. What great bodies and acrobatic moves they had. They bounced in and out of my rings all day, but it was me that put them down for the final count.

Letters Editor...

OK. I have just tem minutes to write this letter. I'm an accountant in a large Park Avenue firm. Because of the recession, more than twenty people were let go from their jobs and I've had to pick up a lot of their work. Last nite I was working late with a few others. When we finished, Alana and I went to the station as we always do. On the way home, her stop is one past mine. OK. So the train pulls up and we get in. It's about 9:30 pm and there are lots of people on it. Mostly business people who were probably working late, too. We find a couple seats together and plop down our briefcases to the floor and settle back to look out the window. OK, the train pulls out and Alana grabs the WSJ as if to read it. She opens it up and puts it over my lap. I ask her what's going on and she tells me to keep looking out the window. I oblige when I realize she is pulling down my zipper!!! OK. I'm all soft and such, but within a minute I'm all hard. She is looking forward as if nothing is going on, but her hand is working my dick pumping the shaft as if the world was ending. I don't have time to tell you about fantasizing a scene like this or how hot I am for Alana. So I have to just tell you what she did. OK?

I take my eyes from the view because we're now in a tunnel. The train lights flicker, but Alana just keeps pumping. Soon we surface and my stop is just a few away. She changes her grip to use her nails. She pinches me and slides them up and down the shaft, letting her index finger poke my balls. The bouncing and hum of the train is adding to my excitement and my feet are pushing hard against the bench legs in front of me.

Next stop and I'm about to pop. A couple exiting the train slow down to look at us. I think they know what was going on but went out their exit. That blew my concentration and we lost the rhythm. Next stop coming up and I won't finish in time. I see the stop's sign out the window and I look at her saying I have to go. She tells me to stay seated and continues to pump me. So after the doors close and I miss my stop, within a few minutes I force myself to cum. Which I do into the newspaper.

She quickly folds it up and gets up to leave as the train pulls to her stop. I'm left with my dick hanging out, but I quickly shove it back in and zip up. Ok, I look up to see her hit the platform and the doors close behind her. I missed her stop, too. OK, I just looked up and have missed my exit this morning. Looks like I'm going to be late for work, but at least I got this letter out to you.

– *Rick, the Bronx*

Editor --

I'm writing to give you guys kudos for the sizzling pictorial of Taryn and Jeanie Marie (*Lonely Wives, Vol. 21*). Man those two bitches are the bomb. I've seen them in pornos, but never in a magazine. How did you do it? Those boobs of Jeanie Marie are perfect. Taryn is more like a tiger. She has the longest tongue I've ever seen on a girl. And man, what a great face. She looks like she could eat me up alive. Man, I came twice just looking at those photos. You got any more of them? If you're counting votes, count me in. When's the next issue coming out?

– Craig, Santa Fe, NM

I'm a Carmella fan,

Thank you for bringing back Carmella, even is she is with a white dude. I've been a big fan of hers for years because she brings an energy that many performers do not bring. And she would do anything. She really knows how to fuck and suck. I also liked the fact that she was a healthy-looking girl with a healthy butt. I'm into big butts on girls because you can manhandle them a little easier. Pick them up, turn them over. Do an upside-down 69. That was something I first saw Carmella do in a movie afeww years ago and I've put it into my little bag of tricks, too. That's the kinda girl I want. Maybe one day I'll get to perform it with her. I've enclosed a picture of myself and a return envelope for her to write to me. Will you be sure that she gets it?

– Kurt W., PA

When I picked up your magazine and saw that girl tickling and sticking a purple vibe into that other girl's twat and then with her pussy inches from her face, I was hooked.

To the editor:

I'm a healthy thirty year-old guy who has a problem getting up when I watch pornos of people fucking or pictures of them in magazines. I don't know if it's a medical thing, but I've lost it. I use to jack off a lot when I was younger, but they say that shouldn't matter. Looking at girlie mags and pornos you would think would help, but nothing is better than a girl shoving a colored dildo or vibrator into her pussy or another girl's pussy. Since I can't relate to cocks in the flesh, the colored plastic cocks are a much bigger turn on for me.

Not even the fleshy didldos turn me on, but if it's purple, red or blue, I can get hard instantly. And if the dildo or vibe has gnarly stuff poiking out of it, like a second appendage or ribs or spikes, then that just sends me over the edge. When I picked up your magazine and saw that girl tickling and sticking a purple vibe into that other girl's twat and then with her pussy inches from her face, I was hooked. While the other dildos in the pictorial were nice, the purple one was the bomb. Man, I loaded one up and shot it out. Keep up the good work, because that was the best money I've spent in a long time.

– Dylan, Long Island

Sexy Gianna Lynn has the sugar you've been craving...

I've been told I have the sweetest disposition, until I start fucking, that is. Then I turn into a tiger on the loose. The fangs come out and there's no stopping my feline appetite until I have ravaged the man-meat that I hunger for. Then I lay back and purr like a kitty as you become my dinner.

I have a real soft pussy that yearns to be filled. It calls to me in the middle night demanding that something be done to fill it. If there is no man around, I start with my fingers and then find my trusty dildo to finish me off. While these are good things, a hard cock is the best. So, somehow, there always seems to be a man around.

Zoe's most important discovery...

We're all brought up being told our anus is for, well, you know. A few years ago I discovered that some things that are put into it can actually be an awful lot of fun.

my butt's a crowd pleaser

独立

Ladies, if you've never had a hard cock in your ass, you really should give it a try. It's not like the pussy at all. I find it much more sensitive and erotic. Start small, like with a finger or small vibe – and work your way up to his cock. Not only will it make you feel good, but I find that guys fuck my ass with much more gusto than my pussy. And we all want to go for the gusto, don't we?
